

CLUB NEWS

Here comes summer

THE CLUB'S CALENDAR is bursting with great things to do with your Mercedes-Benz – whether it's new, old, in concours condition or just everyday transport. Even if it's not running at all the Club can help. And if you

haven't yet found the Mercedes of your dreams, there's nowhere better to look than the 'Cars for sale' pages of the Club's monthly Gazette.

Throughout the year there are

regional events taking place across the country, including lunches, road runs and museum visits. In addition there are the following four national events, attracting the best Mercedes in the country.

National Concours – Saturday June 27

A corner of the 2008 National Concours.

If you have a Fintail, make sure you bring it to Milton Keynes.

There will be examples of the new E-Class at the concours.

In June, the Club will hold its **National Concours** at Mercedes-Benz UK's headquarters in Milton Keynes. As well as the prestigious **Concours d'Elegance** and **Master Class** – featuring the finest Mercedes-Benzes in the country – there will also be **'Enthusiasts'** classes for new entrants with 'every day' cars. Entirely new for 2009 will be a non-competitive 'Exhibition' category for rare and unusual vehicles, particularly older ones.

The 50th anniversary of the **Fintail** will be celebrated and Mercedes-Benz UK will be displaying the **new E-Class**. Entries close on **June 6** but everyone will be welcome on the day to see the cars.
